## UNESCO Geoparks: What's Under Your Feet?

Friday 27<sup>th</sup> May

9.30am – 3pm

**Huggate and the Yorkshire Wolds**

Meet on Mill Lane, south of the village

Venture out on a wonderful landscape and geology walk at Huggate. Leader Richard Myerscough will explore the relationship between geology and landscape as part of the UNESCO GEOPARK concept. At the end enjoy a cuppa in the café in the village. Please do not bring your dog on this walk.

A 6 mile walk with several stops. Please wear walking boots or sturdy shoes for uneven ground in the outdoors. Bring a packed lunch and drinks.
